W.P.(C).31277/2007

Dated this the 27th day of November, 2007

JUDGMENT

Ext.P2 is stated to be an application made by the petitioner before the respondent with two requests. One of the requests is for temporary permit has already been granted. The other is for releasing the vehicle bearing registration No.KL-05/Q 4050 so as to dispose of the same as allowed by this Court in Ext.P1 judgment, submits the petitioner. According to the counsel for the petitioner, what was intended by the expression to release the vehicle was that he wanted a clearance certificate from the respondent to dispose of the vehicle. Present complaint of the petitioner is that orders have not been passed on Ext.P2. In view of the pendency of the application it is only appropriate that the respondent considers the same and pass orders thereon.

2. Accordingly I dispose of this writ petition directing the respondent to pass orders on Ext.P2 application as

expeditiously as possible, any rate within a period of six weeks on production of a copy of this judgment.
